

THE EVANSVILLE EXPRESS

MESSAGE FROM THE PRINCIPAL

The partnership between school and home has much to do with each child's success, and every teacher at EAC is committed to seeing each student succeed.

In an effort to improve the communication between parents and teachers, every teacher at EAC will be sending home weekly newsletters. We need for you to help us by establishing a routine with your child to ensure that what is sent home actually makes it into the hands of the parents.

Feedback is essential in order for growth to take place. If ever there is a time where you wish to address a concern or ask a question, please do so! When you have a concern, it is imperative that you contact your child's teacher first. No problem is too big or too small for us to handle. We know that we are responsible for your most valuable possessions, and it is important to us that you send your child(ren) to school knowing that any questions are answered and concerns are addressed. We look forward to building stronger bonds between school and home.

Superintendent Shout-Out

At last month's School Board Meeting, Dr. Gabe recognized a student and parent from EAC for going above and beyond to represent Evansville.

-Michael Schoenberger is an 8th grade student who deserves to be recognized. He is a STEAM Club and Beta Club member. His positive attitude is contagious. If you need a hand, you can always count on Michael to be there for you. Well done!

-Stephanie Heinen is a mother of 3 EAC students. She is very active in PTO. She organized the annual EAC Trivia Night Fundraiser, and is always willing to take on projects to make EAC the best place for our students. Thank you!
