

## A Message from Principal Baker

We have been so busy working in the building to get ready for a new school year. If you see Kent Wall, be sure to thank him for all the hard work he did this summer as a furniture mover, plumber, electrician, painter, groundskeeper... and the list goes on and on. Also, so many of our teachers did not take a break this summer. I was impressed with the amount of teachers who attended professional development opportunities, spent time working with students, and spent their time giving me a hand at the school. You truly are blessed to have such a great school with caring and dedicated teachers. Mrs. Biethman hit the nail on the head when she described EAC as a diamond in the rough. I cannot wait to get the students involved with more projects like the Beta Club landscaping project, to make improvements around the campus. It was a pleasure to have met so many of you at Open House. I look forward to an amazing school year.

## Tournament Champs!

Congratulations to the EAC Softball team for winning first place in the Prairie Du Rocher Tournament earlier this week!
